LACK OF INDEPENDENCE

Why we are not independent, impartial, or unbiased in relation to the provision of personal advice and the impact of this on you

We are not independent, impartial, or unbiased pursuant to section 923A of the *Corporations Act* because:

- We may receive remuneration, commission or other benefits when we provide personal advice to you in relation to insurance products and other financial products;
- We may be subject to direct or indirect restrictions relating to the financial products in respect of which personal advice is provided; and/or
- We may have associations or relationships with issuers of insurance products and other financial products.

Further information about these benefits and relationships is set out in this Financial Services Guide.

If you have any questions about this information, please ask us.

Further information when personal advice is given

We will provide you with further information whenever we provide you with advice which takes into account your objectives, financial situation and needs. This information may include the advice that we have given you, the basis of the advice and other information on our remuneration and any relevant associations or interests. This information may be contained in a Statement of Advice (SOA).

When you ask us to recommend an insurance policy for you, we will usually only consider the policies offered by the insurers or insurance providers that we deal with regularly. In giving you advice about the costs and terms of recommended policies we have not compared those policies to other policies available, other than from those insurers we deal with regularly.

Product Disclosure Statement (PDS)

If we offer to arrange the issue of an insurance policy to you, we will also provide you with, or pass on to you, a Product Disclosure Statement (PDS), unless you already have an up-to-date PDS. The PDS will contain information about the particular policy which will enable you to make an informed decision about purchasing that product.

If you wish to look at your file, please ask us. We will make arrangements for you to do so.

How will I pay for the services provided?

For each insurance product the insurer will charge a premium that includes any relevant taxes, charges and levies. We often receive a payment based on a percentage of this premium (excluding relevant taxes, charges and levies) called commission, which is paid to us by the insurers. However, in some cases we will also charge you a fee. These will all be shown on the invoice that we send you. You can choose to pay by any of the payment methods set out in the invoice. You are required to pay us within the time set out on the invoice.

If there is a refund or reduction of your premium as a result of a cancellation or alteration to a policy, or based on a term of your policy (such as a premium adjustment provision), we will retain any fee we have charged you. We will also retain commission depending on our arrangements with the insurer, or charge you a cancellation fee equal to the reduction in our commission.

When you pay us your premium it will be banked into our trust account. We retain the commission from the premium you pay us and remit the balance to the insurer in accordance with our arrangements with the insurer. We will earn interest on the premium while it is in our trust account, or we may invest the premium and earn a return. We will retain any interest or return on investment earned on the premium.

If we provide you with claims handling and settling services, we will inform you of any fees, commission or other payments that we, or our associates will receive in relation to the claims and settling services that are provided.

How are any commissions, fees or other benefits calculated for providing the financial services?

Our commission will be calculated based on the following formula:

$$X = Y\% \times P$$

In this formula:

X = our commission

Y% = the percentage commission paid to us by the insurer. Our commission varies between 10% and 26.5%.

P = the amount you pay for any insurance policy (less any government fees or charges included in that amount).

Any fees that we charge you will be clearly shown on the front of each invoice.

We do not often pay any commissions, fees or benefits to others who refer you to us or refer us to an insurer. If we do, we will pay commissions to those people out of our commission or fees (not in addition to those amounts), in the range of 10 to 20% of our commission or fees.

Our employees that will assist you with your insurance needs will be paid a market salary and may also include commissions of 25-30% of the commission earned by our firm.

If we give you personal advice, we will inform you of any fees, commission or other payments we, our associates or anyone referring you to us (or us to any insurer) will receive in relation to the policies that are the subject of the advice.]

See below for information on the Steadfast association and commission.

Do you have any relationships or associations with the insurers who issue the insurance policies or any other material relationships?

Ballarat Insurance Brokers Pty Ltd is a Steadfast Group Limited (**Steadfast**) Network Broker and brokerage company and/or principals/directors may hold shares in Steadfast. As a Steadfast Network Broker we have access to services including model operating and compliance tools, procedures, manuals and training, legal, technical, HR, contractual liability advice and assistance, group insurance arrangements, product comparison and placement support, claims support, group purchasing arrangements and broker support services. These services are either funded by Steadfast, subsidised by Steadfast or available exclusively to Steadfast Network Brokers for a fee.

Steadfast has arrangements with some insurers and premium funders (**Partners**) under which the Partners may pay Steadfast commission of between 0.5 – 1.5% for each product arranged by us with those Partners, or alternatively a fee to access strategic and technological support and the Steadfast Broker Network. Steadfast is also a shareholder of some Partners.

We may receive a proportion of any commission paid to Steadfast by its Partners at the end of each financial year (or other agreed period).] You can obtain a copy of Steadfast's FSG at www.steadfast.com.au

If we arrange premium funding for you, we may be paid a commission by the premium funder. We may also charge you a fee (or both). The commission that we are paid by the premium funder is usually calculated as a percentage of your insurance premium (including government fees or charges). If you instruct us to arrange or issue a product, this is when we become entitled to the commission.

Our commission rates for premium funding are in the range of 0.5 to 2% of funded premium. When we arrange premium funding for you, you can ask us what commission rates we are paid for that funding arrangement compared to the other arrangements that were available to you.
